

## CHALLENGE

- Connecting re-entry clients to our program from incarceration facilities
- Searching for clients that are eligible within the existing data systems
- Verifying local resource lists and validating services offered
- Constant housing availability changes

## STRATEGIES

- Coordinating with local housing & employment programs serving reentry clients
- Communicating with Part A partners as often as possible and meeting at their sites
- Once identified, meeting with eligible clients to confirm their needs

## OUTCOMES

- Identified County & State Reentry programs
- Identified housing & employment opportunities for clients with incarceration histories
- Maintain contact information with partners and resources

## TIPS

- Maintain communication with Ryan White Part A partners
- Confirm client SPNS eligibility with Ryan White Medical Case Managers
- Discuss status with client prior to enrollment and confirm receipt of required documentation
- Continue searching...
