

SHARE YOUR WORK

The Ryan White HIV/AIDS Program (RWHP) Best Practices Compilation is a place to share what works in improving care and services for people with HIV.

SUBMIT YOUR APPROACH TODAY!

Before you begin, gather the following information:

- **Need addressed**—Why did you want to implement this approach?
- **Description**—What was the approach that you implemented?
- **Impact**—How did the approach show success or improve your clients' lives? What methods did you use to measure the approach's success?
- **Key features and activities**—What features or activities are key to this approach's success?

WE CAN HELP!
