

TA Resources for the Ryan White HIV/AIDS Program Services Report (RSR)

Program-Related Questions

HAB Project Officers

Project Officers (POs) assist recipients with technical assistance (TA) and may submit formal TA requests on their behalf. POs can also address issues with programmatic components such as funding and exemptions, and help recipients resolve issues related to non-compliant providers, deadlines, and missing data.

EHB and Web System Support

EHBs Customer Support Center

The Electronic Handbooks (EHBs) Customer Support Center addresses EHB and RSR software-related questions, including issues with registration, permissions, and submission status in the EHBs, and RSR Web System errors.

Data Management

Data Integration, Systems & Quality (DISQ) Team provides TA focused on:

- ✓ Guiding new users on where to start
- ✓ Mapping source data to required reporting schema
- ✓ Creating compliant XML files using the TRAX application
- ✓ Integrating data from multiple sources (e.g. RSR-Ready Systems, Electronic Health Record (EHRs), State Surveillance, Labs, etc.)
- ✓ Easing communication between recipients and data systems
- ✓ Connecting recipients who use the same data systems in peer learning opportunities
- ✓ Identifying and addressing data quality issues using system-generated reports (e.g. Validation and Upload Completeness Reports)
- ✓ Developing year-long processes for data collection, management, quality checks, and utilization
