#	Questions	Answers
1.	Can you go over when to report the EHE Initiative Services category again?	EHE Initiative Services category is meant to capture EHE funded services that do not meet the definition of one of the other RWHAP core medical or support service categories as defined in PCN #16-02 .
2.	We are a provider that is funded by our county health department, do we need to do this report?	The EHE Triannual Recipient Report is only completed by the grant recipient, in this case the county health department. If you are funded by an EHE recipient for services, you will complete the EHE Triannual Provider Report.
