

Are You in Compliance? Standards and Systems to Implement a Clinical Quality Management Program

Lisa McKeithan, CommWell Health Carla Monds, Robeson Health Care Corporation

- Define the components of a Clinical Quality Management (CQM) Program
- Discuss the importance of CQM Program
- Understand CommWell Health and RHCC's CQM activities and how CQM fits within and supports grant administration functions and framework
- Describe the importance of consumers in health care governance via roles on governing boards, advisory committees

# Are all recipients and subrecipients required to have a CQM program?

- A. Yes, Parts A D are required to establish a CQM program that includes activities at the recipient agency and at all funded subrecipient organizations.
- B. No, the quality management plan is not needed when the recipient is doing well with health outcomes, like viral suppression.
- C. Yes, Quality Improvement projects are required for each funded RWHAP service.

- Title XXVI of the Public Health Service Act RWHAP Parts A D1 The HIV/AIDS Bureau released Clinical Quality Management Policy Clarification Notice 15-02 in September 2015 to provide additional guidance to Ryan White HIV/AIDS Program recipients.
- CQM: Coordination of activities aimed at improving:
  - patient care
  - health outcomes
  - patient satisfaction

#### 5

#### **CQM** Components

- Infrastructure
- Performance measurement
- Quality improvement

#### Importance of CQM

#### • QUALITY

- Commitment to healthcare excellence
- Improve efficiency
- Patient safety
- Improve clinical outcomes

#### Providing a culture of excellence....

## CommWell Health

- 43 years of operation
- Began as a night clinic for community farmworkers
- Accredited by The Joint Commission for primary and behavioral health care services
- Certified as a PCMH by The Joint Commission and NCQA
  - Six counties across southeastern North Carolina
- "What distinguishes CommWell health from all the rest?"
  - Eagle Excellence
  - Holistic Community Health
  - Culture of Inclusion

#### Our MVV

#### Values

- Collaborative Leadership WE, not me
- Value of Valuing WE value the strengths and uniqueness of everyone
- Teamwork WE work together
- Integrity WE do the right thing
- *Learning Environment* WE question, WE learn, WE innovate
- Continuous Improvement OUR excellence tomorrow is greater than OUR excellence today!

# **Positive Life Program** Operations

- The Positive Life Program was established in 1987.
  - Over the years, the program has grown and developed into a nationally recognized program.

#### **Positive Life Operations**

- Ryan White Part B, C, D
  - Joint Commission Patient Centered Medical Home
  - Interdisciplinary Care Model
  - Core Medical Services include primary and specialty HIV care, medical case management, dental, and referrals for BH on site.
  - Daily Huddles/Weekly Clinical Care Team Meeting
  - Support Services
    - Service Coordination
    - Bridge Counseling / Transportation
    - Treatment Adherence
    - HMAP, SPAP, ICAP, PAP enrollments

## Positive Life Operations continued

- Primary Care Services Available Daily
- EIP Clinic (Dr. C. Michael Lewis)
  - Primary Care Services Available Daily (Medical, Dental, & Behavioral)
- After Hours Coverage –24/7 staffed by RNs / Customer Care Professionals – triage/HE
- Patient Reminder Service Callpointe

## **HIV Medical Care**

- HIV Medical Care On-site (PCMH)
  - Medical Case Management
  - Pharmacy on-site (340b, HMAP, other assistance programs)
- Dental Care
  - Preventative, Education, Restorative, Extractions, Periodontal Treatment and Biopsies, Root Canal Treatment and limited Prosthodontics
- Behavioral Health Care
  - Residential, Transitional Housing; SAIOP; SA Outpatient Groups/Individual; Aftercare Programs/Continuum of Care; Psychiatric Care; MH Outpatient; Referral for SA Detox and Psychiatric Hospitalization
- Referrals: Self, Ryan White B, DIS, Health Department, Hospitals
- EHR Greenway Intergy
- Part D
  - Clinical Trials Access; Referrals for HIV High-Risk Pregnancy, Pediatrics (UNC)

## System Coordination

- PL maintains extensive collaborations and partnerships with health care providers throughout the service area including:
  - Local FQHCs RHCC (Part D)
  - Hospital Systems
  - Ryan White Programs (Part B Dogwood CQM, SCSN)
  - Health Departments (referrals, needs assessments)
  - Community Care of North Carolina
  - Academic Institutions / UNC (ID Specialist, HIV Pediatric High-Risk Pregnancy Referrals)
  - Other Community Organizations
  - UNC Global HIV Prevention and Treatment Clinical Trials Unit
- Referral Tracking System (Centralized Referral Network)

## Support Group

- Women's support group
  - Third Tuesday of the month
  - PL and CWH staff teach classes
  - Various topics: Mammograms, HIV and mental Health, Risk reduction

- Co-ed support group
  - Second Tuesday of the month
  - PL and CWH staff teach classes
  - Various topics: HIV and Aging, nutrition, smoking cessation

## / Positive Life Program Clinical Quality Management

## CQM Activities (Data Driven)

- National HIV/AIDS Strategy 2020, inclusive of the HIV Care Continuum
- Needs Assessment
- Patient Acuity
- Selection of Services offered
- Patient Centered Medical Home
- National Quality Strategy
- UDS Report

#### HIV Quality Measures (HIVQM) Module

- Purpose is to help recipients set goals and monitor performance measures
- An online tool that allows recipients to enter aggregate data on the HAB performance measures and then generate reports to assess their performance

## Quality (State Level)

- Active member of Ryan White B Networks covering shared counties with CommWell Health's Ryan White Part D and 330 Health Center in southeastern North Carolina. They include:
  - (1) Dogwood Health Care Network (Region 5)
  - (2) Access Network of Care (Region 6)
- NC RQC
- Regional Quality
- end+disparities ECHO Collaborative
- PL Team member and PL Patient are members of the state NC HIV/AIDS Prevention and Care Advisory Committee (HPCAC). Both will serve a twoyear term

## Interdepartmental Integration

- Patient Centered Health Home Model
- Leadership Management Team (LMT)
- Daily Positive Life "Huddles"
- Provider Meetings and Masterminds
- Positive Life Treatment Team Meeting
- Positive Life Operation Eagle Meeting
- Positive Life Quality Eagle Meeting
- Quality Performance Improvement

#### Team meetings

VIRTUAL 2020 NATIONAL RYAN WHITE CONFERENCE ON HIV CARE & TREATMENT

#### Weekly Meetings

- Participate in weekly patientcentered medical home (PCMH) huddles
- A multi-disciplinary team (i.e. representatives from BH, other providers)
- Integrated care
- Serves as an avenue to advocates and arranges appropriate care with other qualified providers and community resources as needed

#### **Treatment Meetings**

- Monthly
- To discuss and monitor all patients who are receiving medical case management
  - Barriers to Care
  - Accessibility
  - Medication Adherence Challenges
  - Housing
  - Mental Health

## Quality Team meetings

Innovative venue to have intentional discussion

- evidence-based practices
- HRSA clinical quality measures
- patient satisfaction scores/surveys, set
- monitor quality and performance goals
- Part D subrecipient required to attend
- Positive Life's Consumer Advisory Board representative attends and participates in the monthly meetings in person or by Zoom conference call

#### Patient Satisfaction Surveys

- Phone surveys completed monthly
- Press Ganey Patient Satisfaction Surveys
  - Random 10 surveys per provider
  - Rapid Response (24 hours)
  - Monthly Reports (available on P: Drive)
    - Aggregate
    - By Practice Location
    - By Discipline

#### **Provider Rating and Review**

#### OVERALL PROVIDER RATING

#### **CommWell Health Patient**

The staff there are very, very helpful. They take care of you really, really well. They are very attentive and if you ask them to research something for you they do It immediately and they get back to you in a timely manner. I love that place and I would definitely recommend it to anyone else.

#### **Consumer Advisory Board**

- The Consumer Advisory Board (CAB) was created in November 2006 and restructured in January 2018.
- The purpose of the CAB is to provide a consumer perspective and represent the community in making sure that activities are carried out in a way that best meets the consumers needs.
- Goals:
  - Identify barriers and solutions to any problems between Consumer/Providers in a timely manner.
  - Promote HIV/AIDS Awareness and Education for all Communities.

#### **Consumer Advisory Board**

- Meeting held once a quarter
  - CAB Policies & Constitution
- CAB receives quarterly updates on progress with HAB measures
- CAB activities are reported to the organization's Quality Performance Improvement Committee (QPI), as a component of the Ryan White quarterly reporting schedule.
- CAB members discusses opportunities for improvement, "value of valuing" and informed of local/state trainings and conferences to attend.

#### **Opportunities for Improvement**

- Education about Ending the HIV Epidemic: A Plan for America initiative
- Education about new HIV regimens
- Improvement in the CWH Directory when calling the main number
- Training on Patient Portal
- More information on clinical trials

VIRTUAL

#### **Quality Management**

- Monitored by the organization's Quality Performance Improvement Committee (QPI).
- The team meets monthly and reviews the organization's Quality Dashboard, which includes established HAB measures for the PL Dept.
- PL has aligned its Ryan White B, C and D clinical performance measures with the State of North Carolina's Ryan White program and the Regional Quality Council to streamline data collection and analysis.

- Positive Life Monthly Quality meetings
- TALONS (Performance improvement model)
- HAB Measure reported to the Board Monthly \*PL Representative on CWH's Board of Directors
- Report to Quality Performance Improvement (QPI) quarterly and to the Positive Life Consumer Advisory Board
- QPI meets monthly

## Positive Life CQM Team

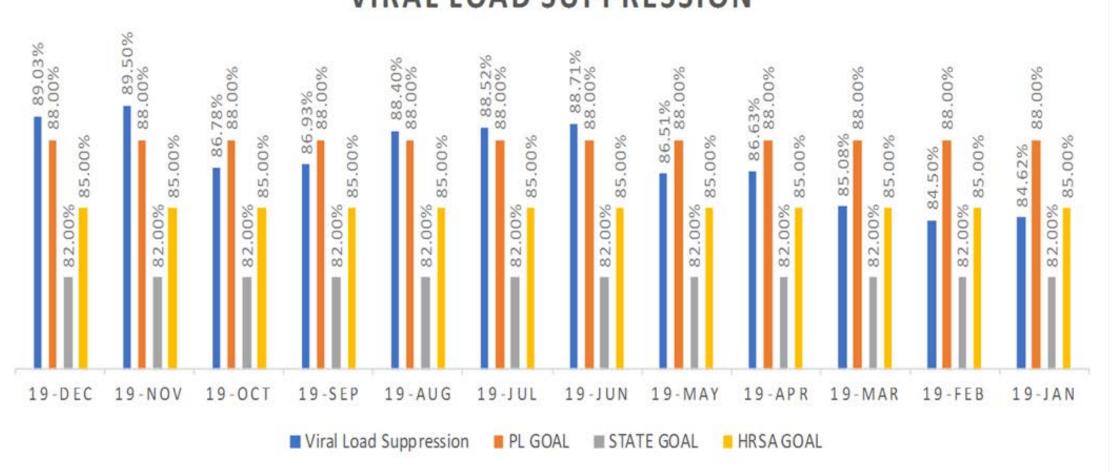

- Infectious Disease Specialist (MD)
- Director of Positive Life
- Positive Life Program Supervisor (RN)
- Medical Case Managers (3)
- Data Quality Analyst
- Bridge Counselor
- Service Coordinator
- Patient Eligibility Representative
- Stakeholders

We have created a stable health home for our patients encouraging active participation in their health care and optimal patient outcomes.

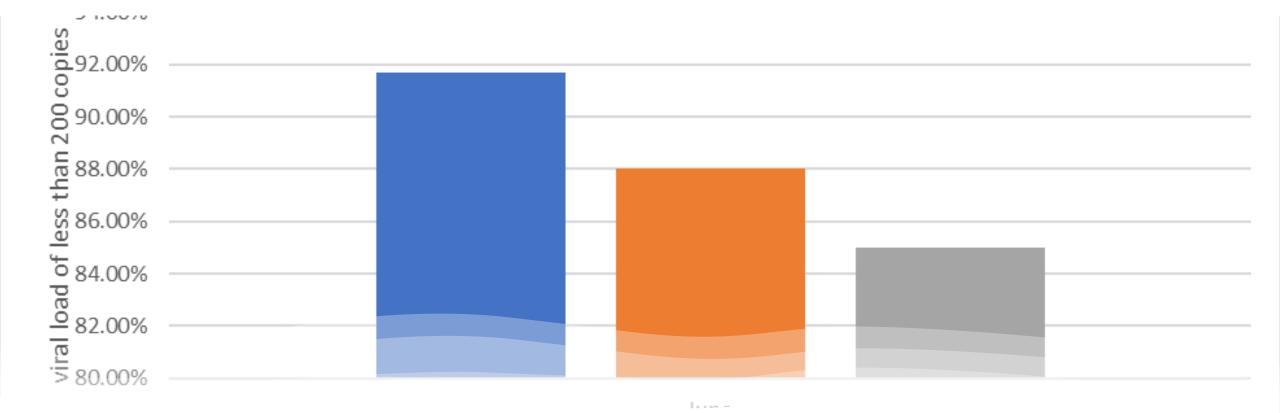

#### **HIV Viral Load Suppression Rate**

Clinical Issue: To increase the percentage of clients with HIV infection (viral load) to less than 200 copies

Performance Measure	19-Dec	19-Nov	19-Oct	19-Sep	19-Aug	19-Jul	19-Jun	19-May	19-Apr	19-Mar	19-Feb	19-Jan
Viral Load Suppression	89.03%	89.50%	86.78%	86.93%	88.40%	88.52%	88.71%	86.51%	86.63%	85.08%	84.50%	84.62%
PL GOAL	88.00%	88.00%	88.00%	88.00%	88.00%	88.00%	88.00%	88.00%	88.00%	88.00%	88.00%	88.00%
STATE GOAL	82.00%	82.00%	82.00%	82.00%	82.00%	82.00%	82.00%	82.00%	82.00%	82.00%	82.00%	82.00%
HRSA GOAL	85.00%	85.00%	85.00%	85.00%	85.00%	85.00%	85.00%	85.00%	85.00%	85.00%	85.00%	85.00%

#### VIRAL LOAD SUPPRESSION

Viral Load Suppression Rate (16-24 years of age)

PROACTIVE: Due to COVID19, our transportation services were suspended which inevitably cased a delay in bringing patients into care.

#### **Action Plan**

- 1) Hire and fully train a Youth Case Manager to complete targeted case management with this specific population and evaluation of their specific needs.
- 2) Utilize social media and other outlets to connect with this population.
- 3) Discuss and evaluate needs of patients who aren't virally s suppressed in PL's monthly treatment team meetings.
- 4) Biweekly contact with case managers
- 5) Case managers will ensure there are no barriers to care regarding access to care, appointment availability, and medications (i.e. Refills, samples, etc.)
- 6) Evaluate housing needs

# CommWell Health Moving Forward

# Emerging Issues in Rural Communities

VIRTUAL 2020 NATIONAL RYAN WHITE CONFERENCE ON HIV CARE & TREATMENT

- Opioid epidemic
- PrEP & Hepatitis C
- Young MSM
- Trauma
- Aging

# Positive Life Next Steps

- 1. Continue to enhance staff clinical quality management knowledge of Ryan White performance measures, reporting and active participation in the National Quality Center nationwide initiatives
- 2. Expand the momentum of success to other clinical and non-clinical program improvement areas
- 3. Continue and enhance consumer involvement in ongoing programmatic CQM activities
- 4. Dissemination: Share best practices about our culture of wellness

## Thank you

# Robeson Health Care Corporation

### Carla Monds (HIV Services Director) Subgrantee of CommWell for Part D

# Robeson Health Care Corporation continued

VIRTUAL 2020 NATIONAL RYAN WHITE CONFERENCE ON HIV CARE & TREATMENT

- RHCC serves approximately 228 patients in 4 counties through Part C and Part D
- 8 Community Health Centers

- Monthly program calls with CommWell
- Monthly Quality Meeting with CommWell
- Monthly interdepartmental quality meeting
- Monthly corporate quality meeting (required to present HAB measures, case management reports each quarter)

- CPIC (Clinical Quality Performance Improvement Committee )
- Meetings are recorded
- Attendance and participation recorded
- Risks
- Liabilities
- Improvement suggestions
- Policy changes for any program are voted on by CPIC and then the Board
- PDSA's are studied and critiques and suggestions made

# The Ryan White Program needs to be involved in the overall landscape of the corporation.

### Example of CPIC meeting template

**Robeson Health Care Corporation Combined Quality, Compliance and Risk Meeting Agenda** Thursday, July 11, 2020 1:30 pm - Virtual Teleconferencing Video Meeting

Call to Order: Dr. Eugene Nor, CMO Presiding Chair; Jamie Morgan, Co-Presiding; Al Bishop, CCO/DPI

Review and Approval of Previous Meeting Minutes: Dr. Eugene Nor, CMO/Jamie Morgan, Clinical Director Roll Call: Kasion Jones

# Quality/ audits

#### **Program flow**

 The committee is also a venue for information to flow bidirectional between front line staff including front office, clinical and support staff and the leadership, including the board of directors as appropriate.

#### **Plans for improvement**

- RHCC formulates plans on how to make improvements in each department to assure two main areas of compliance: 1) patient quality services and 2) patient safety.
- This is a key element to assist during audits of any department

#### RHCC's Part D HAB Measures

Performance Measures Part	Performance Measures Part D	6/19/2020	5/18/2020		State	Our Goal
