

Division of State HIV/AIDS Programs (DSHAP) Business Day

2024 National Ryan White Conference on HIV Care and Treatment

August 20, 2024

Psyche Doe, Moderator
Project Officer, DSHAP, Western Services Branch (WSB)
HIV/AIDS Bureau (HAB)

Vision: Healthy Communities, Healthy People

HRSA's HIV/AIDS Bureau Vision and Mission

Vision

Optimal HIV care and treatment for all to end the HIV epidemic in the U.S.

Mission

Provide leadership and resources to advance HIV care and treatment to improve health outcomes and reduce health disparities for people with HIV and affected communities.

Health Resources and Services Administration (HRSA)

Overview

Supports more than 90 programs that provide health care to people who are geographically isolated, economically or medically challenged

HRSA does this through grants and cooperative agreements to more than 3,000 awardees, including community and faith-based organizations, colleges and universities, hospitals, state, local, and tribal governments, and private entities

Every year, HRSA programs serve tens of millions of people, including people with HIV, pregnant people, mothers and their families, and those otherwise unable to access quality health care

HRSA's Ryan White HIV/AIDS Program (RWHAP) Overview

- Provides a comprehensive system of HIV primary medical care, medications, and essential support services for low-income people with HIV.
- Funds grants to states, cities, counties, and local community-based organizations to improve health outcome and reduce HIV transmission.
 - Recipients determine service delivery and funding priorities based on local needs and planning process.
- Provided services to over 566,000 people in 2022—more than half of all people with diagnosed HIV in the United States.
- 89.6% of RWHAP clients receiving HIV medical care were virally suppressed in 2022, exceeding national average of 65.1%ⁱ. This means they cannot sexually transmit HIV to their partners and can live longer and healthier lives.

Division of State HIV/AIDS Programs (DSHAP) Mission

Mission

Provide leadership and support to states/territories in developing and ensuring access to quality HIV prevention, health care and support services.

Integrated HIV/AIDS Planning Technical Assistance Center (IHAP TAC)

- The purpose of this cooperative agreement is to provide technical assistance to Ryan White HIV/AIDS Program (RWHAP) Parts A and B recipients and their planning bodies regarding the:
 - Integration of HIV planning across systems of HIV prevention and care within their jurisdiction;
 - Development, implementation, monitoring, evaluation, and improvement of Integrated HIV Prevention and Care Plans (IPs), including Statewide Coordinated Statements of Need (SCSN), submitted to HRSA and CDC in response to legislative and programmatic requirements.

Access, Care, and Engagement (ACE) TA Center

- The Access, Care, and Engagement Technical Assistance (ACE TA) Center builds the capacity of the Ryan White HIV/AIDS Program (RWHAP) community to navigate the changing health care landscape and help people with HIV to access and use their health coverage to improve health outcomes. Many RWHAP clients are eligible for health coverage options, including Medicare, Medicaid, and Marketplace plans.
- The ACE TA Center provides practical tools and resources to support engagement, education, enrollment, and renewal activities.

RWHAP Compass Dashboards and Benchmarking

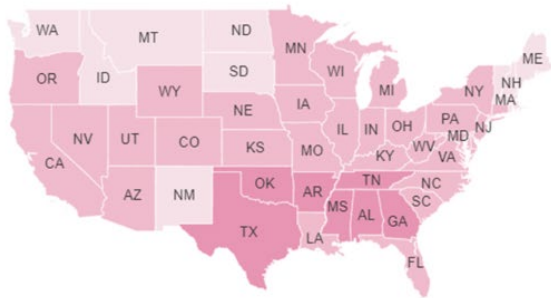

Ryan White HIV/AIDS Program Compass Dashboard

The Ryan White HIV/AIDS Program (RWHAP) Compass Dashboard provides users an opportunity to interact with and visualize the reach, impact, and outcomes of the RWHAP. The Health Resources and Services Administration (HRSA) HIV/AIDS Bureau (HAB) developed the RWHAP Compass Dashboard to support data utilization to improve outcomes along the HIV care continuum. By advancing users' ability to interact with and utilize RWHAP program data, the dashboard supports HRSA HAB's vision of optimal HIV/AIDS care and treatment for all.
