

## Frequently Asked Questions for Ryan White HIV/AIDS Program Part A Multi-Year Funding Transition

\*Answers indicating a change are in bold font\*

**Q1:** Will Recipients (all or even a small workgroup) have an opportunity to assist HRSA in developing the NCC Progress Report format or document to help ensure reduced burden?

**A1:** At this time HAB can assure recipients that only necessary information will be requested, and the NCC Progress Report guidance will be developed in conjunction with our legal counsel to ensure any legislative requirements are met. HAB will consider engaging recipients where appropriate if the need arises.
