Completing the EHE Triannual Module Provider Report

#	Questions	Answers
1.	What is the submission timeline for the EHE Triannual Report?	<p>The EHE Triannual Report opens on the 15th of the month directly after the four-month long reporting period. Reports are due on the 15th of the following month.</p> <p>For the May – August 2021 reporting period, the report opens September 15 and closes October 15, 2021.</p>
2.	I am experiencing trouble logging into HRSA’s Electronic Handbooks (EHBs). I keep getting an error message. Who should I contact?	Please reach out to the EHBs Customer Support Center. They can be reached by phone at 1-877-464-4772 and online .
3.	Should we report HOPWA (Housing Opportunities for Persons with AIDS) funded services in the EHE Triannual Report?	<p>HOPWA funding on its own is not considered RWHAP funding. If you are funding a service with just HOPWA funds and no other RWHAP funding, then that service does not need to be reported in the EHE Triannual Report.</p> <p>If your agency is providing Housing services using RWHAP funding streams as well as HOPWA, then those services and clients should be reported. A reminder that providers should be reporting RWHAP funded services regardless of the specific payor for a provided service.</p>
