

# Positive Resource Center: Housing Case Study

## CHALLENGE

Client A was on welfare and homeless on the street. Client was not interested in employment and their SSI was pending. No immediate low-income housing was available.

## STRATEGIES

Used AIDS Emergency Fund to secure a 2 week SRO stay. Applied for transitional housing. While at transitional housing, started applying for low income housing.

## OUTCOMES

Prevented further homelessness by securing a 2 week SRO stay. Client was able to get into an 18 month transitional housing program. A year later, client was selected for a HOPWA unit.

## TIPS

Collaborate with other service providers, both internal and external to PRC. Be creative and flexible to changing situations. Explore all options. Don't give up.
