

# HOW TO SUBMIT AN INTERVENTION

## Before you begin, gather the following information:

- **Need addressed**—Why did you want to implement this intervention?
- **Description**—What was the intervention that you implemented?
- **Impact**—How did the intervention show success or impact your clients' lives? What improved? What methods did you use to measure the intervention's success?
- **Core elements**—What features or activities are key to this intervention's success?
