# 2021 ADR Manual Errata Document

This errata document, produced on April 14, 2022, updates the 2021 ADR manual based on new HRSA HAB guidance and other needed clarifications.

## Client Report

| Page #(s) | Section | Previous Text | Updated Text |
|---|---|---|---|
| 4, 38 | Clinical Information | Pg. 4<br><br>ID 32 – 35. ADAPs will now report clinical data for ALL clients receiving medication and/or insurance services<br><br>Pg. 38<br><br>The purpose of the Clinical Information section is to describe the clinical characteristics of **all** ADAP clients. Report all CD4 and viral load counts and dates for all clients who received medication and/or insurance services during the reporting period. | Pg. 4<br><br>ID 32 – 35. ADAPs will now report clinical data for ALL clients regardless of whether they received ADAP services during the reporting period.<br><br>Pg. 38<br><br>The purpose of the Clinical Information section is to describe the clinical characteristics of **all** ADAP clients. Report all CD4 and viral load counts and dates for all clients regardless of whether they received ADAP services during the reporting period. |
| 33 | ID 19. Reason(s) for Disenrollment | Indicate ALL reasons for disenrollment/discharge. If the reason is unknown, report under *Other*. | Indicate ALL reasons for disenrollment/discharge. ~~If the reason is unknown, report under *Other*.~~ |
| 35 | Q&A | Question: Are Affordable Care Act insurance premiums paid by ADAP considered full or partial payments?<br><br>Answer: ACA insurance premiums paid by ADAP are considered partial payments due to the premium tax credit. | Question: Are Affordable Care Act insurance premiums paid by ADAP considered full or partial payments?<br><br>Answer: Reporting ACA insurance premiums as partial or full payments depends on whether the client received the Advance Premium Tax Credit (APTC). ACA insurance premiums paid by ADAP are considered *partial payments when clients qualify to receive an APTC.* ACA insurance premiums paid by ADAP are considered *full payments when clients don't qualify to receive an APTC* |
| 35 | Added Q&A | | Question: A client initially does not qualify for an APTC until they submit their taxes. The ADAP receives a partial refund for the paid premium upon APTC eligibility. Does the ADAP report the reconciliation for that year?<br><br>Answer: ADAPs are not required to report reconciliations for the APTC. |
| 39 | Added Tip | | If a viral load count is undetectable, report the lower bound of the test limit. If the lower bound is not available, report zero. |
