

The RWHAP Part B and B Supplemental Expenditures Report Webinar Q&A

Q#	Question	Answer
1	What is the deadline for the Part B & Part B Supplemental Expenditures Report?	The due date for the Part B Expenditures Report is 7/31/2023. The Part B Supplemental Expenditures Report due date will be announced once the report has opened. However, if you have any questions regarding due date requirements, we suggest reviewing your organization's Notice of Award (NoA) for confirmation and further guidance.
2	Where can we find my organization's report from last year? I am new to reporting and want to review last year's report to ensure I am entering my data correctly.	Expenditures Reports that have been submitted during previous reporting periods can be found on the "Submissions-All" page in the HRSA Electronic Handbooks (EHBs). However, if you have any issues with retrieving a report, please contact Ryan White Data Support for assistance.
3	What are the changes between the prior year's Expenditures Report and the current year?	There are no changes between this year and last year's Expenditures Report. If you have any question about completing the Expenditures Report, please contact Ryan White Data Support .
4	When checking for legislative requirement compliance, will the Expenditures Report populate that information from data entry, or do we have to manually enter it?	Once you have entered your data and saved your Expenditures Report, the checklist will automatically update based on the data entered. You do not need to manually enter values into the Legislative Requirements Checklist.
