15:49:21 From Michael Hager to Everyone:
        For the learning collaborative, it appears you would like us
to pre-select a topic and to propose potential measures, but we want
to leave enough room to negotiate how things land in final in
consultation with our Federal partners and other key stakeholders. Can
you advise on how far into development of a theoretical learning
collaborative we should get into the narrative?
16:00:55 From Michelle Pendill (she/her) to Everyone:
        happy holidays!
