HIV/AIDS Bureau Vision and Mission

Vision
Optimal HIV/AIDS care and treatment for all.

Mission
Provide leadership and resources to assure access to and retention in high quality, integrated care, and treatment services for vulnerable people living with HIV/AIDS and their families.
PEACOC Activities at the Ryan White HIV/AIDS Program Part D Sites
University of Southern California

- Developed and maintained relationships with community partners, especially the Los Angeles County Jail, local task forces, and planning groups
- Implemented “B3: Belong, Believe and Become” behavioral intervention program
- Redesigned clinic flow for the HIV+ youth
- Added an adolescent clinic
- Implemented texting as one outreach modality
New York Presbyterian

- Increased very high risk case-finding
- Established working relationship with Riker’s Island and Fortune Society, an adolescent friendly program
- Provided services at intensive outpatient substance abuse treatment center
- Assisted the New York Court Appointed Special Advocates with high-risk youth
INOVA

- Developed relationship with Prince William County Health Department in Northern Virginia to receive youth referrals
- Hired a Linkage to Care Coordinator to expand reach into Fairfax County
- Received training in motivational interviewing and disease case finding
New Orleans AIDS Task Force

- Identified 20 new referral partner agencies
- Developed relationships with local Disease Intervention Specialists
- Assumed chairmanship of the local C2P
- Launched video promoting PEACOC services
- Brokered five structural change objectives around HIV-medication delivery
Thank you!
